EDUCATION

GEORGIA INSTITUTE OF TECHNOLOGY | Bachelor of Science in Computer Science Graduating May 2020

- 4.0 Cumulative GPA — Concentration: Systems Architecture & Human-Computer Interaction (124 Credits)
- Dean's List, Faculty Honors, & Georgia Tech Honors Program
- 2017 College of Computing Most Outstanding Freshman

UNIVERSITAT POLITÈCNICA DE CATALUNYA | Computer Science Study Abroad: Barcelona, Spain Summer 2017

- Enrolled in Georgia Tech courses at UPC and gained significant cultural experiences abroad

WORK EXPERIENCE

APPLE INC: Software Engineering Intern, iOS System Experience May – August 2019

- Delivered primary feature work for the interactions, architecture, and mechanisms of the iOS 13 Volume Slider (HUD)
- Developed core system components and policies, feature prototypes, interface improvements, and framework APIs & SPIs

APPLE INC: Software Engineering Intern, iOS System Experience January – August 2018

- Developed foundational components for iOS, watchOS, & tvOS while working cross-functionally on system architecture
- Focused on internal framework, testing, and tool development as well as performance improvements & UI polish for iOS 12
- Prototyped & presented explorative work for the iOS home screen. Applied object-oriented design patterns in Objective-C

NEURAL DATA SYSTEMS: Research for Quantifying Neural Anatomy Fall 2017

- Developed algorithms to analyze neural imaging data. Managed AWS server instances

CS 1332 TEACHING ASSISTANT: Data Structures & Algorithms (Java) Fall 2017

- Held a weekly recitation section and office hours, wrote JUnit tests and homeworks, and graded exams
- Managed 60 students and demonstrated proficiency in course material. Selected from over 100 applicants

RECONSO SATELLITE MISSION: Research for AFRL (Avionics Team) Spring 2017

- Collaborated with a team of 8 to engineer the Core Flight Executive (CFE) system using C
- Reduced runtime complexity of the software message bus system for the primary state machine app

PROJECT EXPERIENCE

"Unfoldit" iOS Application [on the App Store] (Swift) Fall 2018 – Spring 2019

- Lead a team of three to conceive, design, and develop Unfoldit for iOS: the game of paper-folding & hole-punching
- Implemented the app using UIKit, Core Animation techniques, and multiple custom frameworks | unfolditapp.com

"True Pass" iOS & watchOS Applications (Swift) Spring – Fall 2017

- Provided utility for Anthem Inc. that allows the company to more efficiently check-in employees to its Atlanta office
- Created apps that ease the location management process using *Firebase*, geofences, and QR codes

Airbnb Data Visualization (HTML & JavaScript & d3.js) Summer 2017

- Produced three visualizations of Airbnb listing data in Barcelona to optimize travel plans
- Designed the visualizations, their SVG layouts, and their interactive manipulations | airbnb.cliffpanos.com

HONORS & ACTIVITIES

Leadership:	Georgia Tech Student Ambassadors, iOS Development Club Executive Tech Lead, Georgia Tech One-To-One Leadership Program, Delta Chi Fraternity – 2017 Brotherhood Chair & 2016 Pledge Class President
Volunteer:	Omicron Delta Kappa (ODK) Leadership Organization, TheGirlCodeProject (sponsored by Google igniteCS), Executive Advisor of the GT Servant Leadership Organization, "Epic Intentions" CS Service Organization
Awards:	BSA Eagle Scout (2013), Georgia Tech InVenture Prize Finalist (2019), ODK Outstanding Freshmen Leadership Award (2017), TreeHacks Category Winner (2019), High School Valedictorian, CenturyLink STEM Scholarship

SKILLS & COURSEWORK

Languages:	Advanced: Objective-C, Swift, Java Intermediate: C, SQL, Python Basic: C++, HTML	Spanish: Advanced
Tools:	Xcode, Git, IntelliJ, JavaFX GUIs, d3, macOS, Windows, Atom	
Concepts:	iOS Human Interface & Development guidelines, Apple frameworks, databases, interface design, encryption	
Coursework:	Data Structures & Algorithms, Object-Oriented Design, Databases, Systems & Networks, Operating Systems	
Interests:	Mobile development, operating systems, artificial intelligence, internet of things, product management
